

Re-engineering the Immigrant Employment Life Cycle to Build a Robust Talent Pipeline

April 18th, 2019

I. Check which statement(s) most accurately reflect where your organization is at in terms of hiring diverse talent:

<input type="checkbox"/>	Your human resources team is focused on solving hiring shortage issues
<input type="checkbox"/>	Your human resources team is focused on reflecting the communities in which you serve
<input type="checkbox"/>	Your human resources team is focused on hiring shortages and reflecting community
<input type="checkbox"/>	Your executive team is focused on hiring diverse talent and reflecting community

II. What are your top 3 barriers to hiring a diverse workforce?

III. What solutions can you employ that fit where your organization is currently at?

IV. What one action is most worth your time to help your organization build a diverse talent pipeline?
