## About Us

### WE'RE DIVINE Consulting

Offers experienced based opportunities to support leadership development, cultural change, dismantle barriers, and build intercultural relations.

**We Support**  
Organizations and individuals with meeting and expanding their commitment to understanding, navigating and bridging cultural differences; to create inclusive environments.

**We Help**  
Define your agency culture;  
Create compassionate care plans & strategies for professional fatigue.

Participants are challenged and given the task  
To lean into the unknown areas of discussion and content that are often avoided, to cultivate transformation and growth.
